

The Clover Hill High School Marching Cavaliers

2011 Performance Cruise

to

The Bahamas

Organizational Meeting

Monday

March 14, 2011

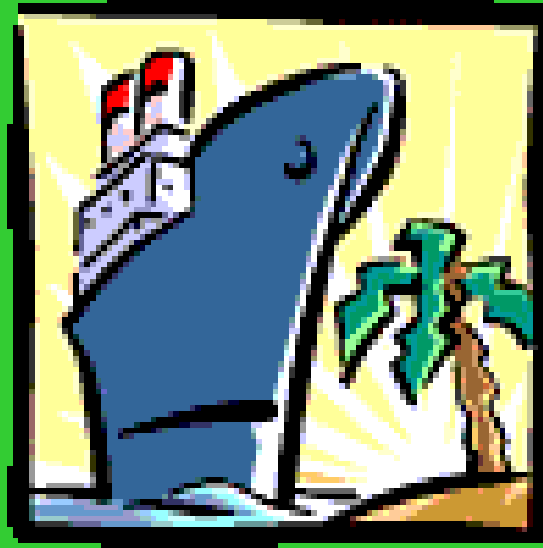

7 p.m.

Students and Parents are asked to please -

Meet in your Chaperone Groups to
complete on line registration.

Please return to the auditorium when you
have completed your on line registration.

Overview of Tour Responsibilities/Cell Phones

Upon departure from Clover Hill until we return, chaperones are responsible for the direct (“around the clock”) supervision of each student in their chaperone group. Students can not be transferred from one chaperone group to another. Chaperones may combine chaperone groups, if they choose. Each evening, chaperones will check that students are in their assigned rooms on time and check that lights are out at the designated time. Chaperones will visually check to make sure the students are up in time for our breakfast each day. **ALL STUDENTS MUST REPORT TO AND EAT BREAKFAST!** In case of any emergency, please contact Mr. Conley as soon as possible. Students are responsible for their cruise ticket documents. Legal documents will be returned to students on the bus ride home.

If anyone must call home, bring a prepaid phone card.

DO NOT BRING A CELL PHONE

Tonight each chaperone is responsible to check for:

- 1. The completion of online boarding information.**
- 2. Missing Legal Documents. Do not leave tonight before checking with your child's chaperone.**
- 3. Distribution and collection of medicine permission forms**

Behavioral Expectations
for all
Students

This trip is an official school field trip. All the rules regarding attitude, behavior, dress, alcohol, tobacco, illegal drugs, over the counter drugs, and prescription drugs are applicable as stated by the Chesterfield County Schools Standards for Student Conduct. Please consult your student handbook for specific information. Please recall the zero tolerance policy regarding drugs, alcohol and tobacco products - the policy includes students over the age of 18, too.

At no time, may a student enter the cabin of a student of the opposite sex. Unless stated otherwise, all students will be in their cabins at 12:00 a.m. and lights out, TV's off, etc. at 12:30 a.m. Students may not leave their rooms during the night, unless there is an emergency. A chaperone will be on duty in the hall every night to monitor our security. Remember: our chaperone groups will stay together at all times off the ship. While on board, students are responsible to inform their chaperone of their location.

Ship Rules

We want this cruise to be a pleasant experience for everyone. Royal Caribbean Cruise lines will, and expects us to, enforced the following rules:

1. No Noise in cabin areas after 11:00 pm
2. Abuse of physical property will not be tolerated
3. No abusive or offensive language
4. No drinking of alcoholic beverages for those under the age of 21
5. Purchase, possession and consumption of illegal drugs will not be tolerated.
6. Large radios (“boom boxes”) are not permitted on board. Headphones must be used with radios on deck

The Bars and casinos on board ship are off-limits to the students.

Failure to comply with the alcohol and illegal drugs guidelines set by the Cruise Line and Clover Hill High School may result in the offender(s) being removed from the ship once we reach the next port of call.

The offender(s) will have to make their own arrangements to arrive back home at his/her own expense and for the chaperone that has to stay with them until their parents arrive.

**Each student is a representative of our band,
our school, Chesterfield County and the
Commonwealth of Virginia.**

**Students must behave in a manner that will reflect positively
upon themselves and the organization they represent,
at all times.**

Chaperone Group, Bus & Student Cabin Assignments

Please review your handout

Suggested Clothing

The weather should be very comfortable.

Shorts and t-shirts will be the normal dress during the day.

T-shirts with offensive slogans are prohibited.

Don't forget your bathing suits, and please make sure the style is in good taste. No string bikinis or thongs.

During the daytime, dress in the dining room is not formal. You may wear your bathing suit with a cover-up while in the dining areas.

Shoes must be worn at all times. Sandals are acceptable.

We will dress up for dinner all three nights. No jeans, shorts, or t-shirts are allowed in the dining room at night. The following is suggested:

1st & 3rd Nights - *Informal* Ladies: dress pants, casual dress or skirt and blouse. Gentlemen: dress pants, polo shirt or open collar shirt without tie

2nd Night - *Formal Captain's Dinner* Ladies: can wear prom dresses, any dressy Sunday dress or semi-formal dress will be fine. For gentlemen: dress slacks and shirt, sport coat, and tie. A tuxedo is also appropriate but not required.

Itinerary

Please review your handout

Prescription Medicine and
Over the Counter Medicine.

Emergency Phone Number

Parents must sign and complete a Chesterfield County Schools Medication and Administration Request Form for any prescription or over the counter medicine, that your child needs. Each chaperone has this form for distribution. Please complete the form tonight or return it to your chaperone by March 31, 2011. We suggest students bring a copy of any medical prescription script and **require students bring all medicine in its original container, labeled with their name.** Each chaperone will hold and distribute all medicine, including any over the counter medications. It is each child's responsibility to ask for all doses.

Emergency Telephone Number

Call 1-888-724-7447 and ask for the Monarch of the Seas. You will be connected to the Purser's office and at that point connected to the correct stateroom.

Loading and Unloading of the
Equipment Trailer
Luggage/ Luggage Tags

All instruments and equipment will be transported in our equipment trailer, except for flutes, clarinets, trumpets and saxes.

While on board, the following items will be stored in our storage area:

**Percussion, Mellophones, Sousaphones, Trumpets,
Trombones, All Saxes, and Color Guard Equipment**

All other instruments will be stored in each student's cabin.

Mr. Kipp will have the key.

**Students are responsible to load and unload
their own luggage, garment bag and
instrument or equipment on the trailer or
under the bus.**

**We are responsible to bring everything from
the unloading area to the Security Desk**

**Make sure everything has a Luggage Tag
with your name printed on it.**

Money

We suggest that students bring approximately \$50.00 for souvenirs. A tropical uniform shirt, t-shirt, and an Unlimited Soda Card has been purchased for all passengers. \$50 - \$70 will be placed into Ship & Sail accounts for all students. All meals will be provided.
